Dear Sir:

Letter to Examiner

Applicant respectfully requests the foreign priority in the instant application be corrected as requested February 21, 2002, July 1, 2004 and October 5, 2004 to be (IN)796/MUM/2001.

A Letter to Examiner was filed on February 21, 2002 (copy enclosed), which included a Preliminary Amendment, Information Disclosure Statement, substitute Declaration and Power of Attorney, and certified copy of the provisional patent application from the Indian patent office to which priority is claimed.

A review of PAIR (copy enclosed) on July 1, 2004 indicated the incorrect priority claim and a Change Request was submitted on PAIR (copy enclosed). A subsequent review of PAIR indicated the priority had not been corrected and a telephone call to Eron Sorrell (Examiner as listed on PAIR) was made on October 5, 2004. Mr. Sorrell was to talk to his

supervisor and LIE to find out how to make the correction but never got back to us.

Applicant again requests the correction be made and the priority document (IN)796/MUM/2001 replace the previously indicated document.

Respectfully Submitted,
Vinay Vasant Kulkarni et al.

Dear Sir,

Letter to the Examiner

The priority document Indian application number claimed in the specification and referenced in the IDS submitted with the patent application referenced above was miscommunicated to us by the applicant. Enclosed herewith is an Information Disclosure Statement by Applicant listing the correct priority document, a Preliminary Amendment correcting the originally submitted specification, a substitute Declaration and Power of Attorney, and a certified copy of the provisional patent application from the Indian patent office. Applicant desires that the correct priority document be entered in the above-mentioned case and all data be updated in the USPTO.

Respectfully submitted,

Vinay Vasant Kulkarni et al.
